

Declaration of compliance with the German Corporate Governance Code 2016

Management Board and Supervisory Board of Elmos Semiconductor AG declare in accordance with Section 161 AktG (Corporations Act):

I. Statements with respect to the future

Elmos Semiconductor AG will comply with the recommendations of the "Government Commission German Corporate Governance Code" (in short: GCGC) in the latest version of May 5, 2015 (released in the official section of the Federal Gazette on June 12, 2015) as of now, with the following exceptions:

- The currently valid D&O liability insurance for the Supervisory Board does not provide for a personal deductible for its members (GCGC No. 3.8 sentence 5). Motivation and responsibility cannot be increased by a deductible.
- The Supervisory Board does not intend to compare the respective remuneration of members of the Management Board, senior executives, and other employees (GCGC No. 4.2.2 sentence 6). The Supervisory Board does not see a corresponding benefit of the increased effort.
- The Management Board's variable remuneration components do not provide for a payment cap with respect to all existing contracts at present (GCGC No. 4.2.3 sentence 6). The part that includes individual performance targets provides for payment caps today already. New contracts shall include payment caps that apply for all variable remuneration components.
- The employment contracts for the Management Board do not provide for severance payment caps in the case of premature termination of a contract (GCGC No. 4.2.3 sentences 10 and 11). The Supervisory Board considers a limitation of the remuneration to a severance payment which is lower than the agreed upon contract duration as not appropriate in the interests of the Management Board members' commitment to the Company.
- Management Board remuneration is not disclosed separately for each of its members (GCGC No. 4.2.5 sentence 5) as the remuneration of the Management Board is provided, pursuant to the resolution of the Annual General Meeting of May 13, 2014, in the total amount only and not individualized. Accordingly, the model tables provided in the appendix of the GCGC are not filled out either as this would amount to individualization of the Management Board remuneration (GCGC No. 4.2.5 sentence 6).
- In specifying concrete objectives for the composition of the Supervisory Board of Elmos Semiconductor AG, a regular limit of length of membership to be specified for the Supervisory Board members is not provided for (GCGC No. 5.4.1 sentence 2). Elmos Semiconductor AG does not consider a regular limit of length of Supervisory Board membership expedient. A consideration of continuity or change in the composition of the Supervisory Board shall be made in the individual case, taking into account both the overall composition of the Supervisory Board and the individual situation and skills profile of each member of the Supervisory Board.

- Remuneration of the Supervisory Board members is disclosed with reference to its components but not individualized (GCGC No. 5.4.6 sentence 5). Compensation paid by Elmos Semiconductor AG to Supervisory Board members for individually performed services, in particular consultation and mediation services, is also not disclosed individually (GCGC No. 5.4.6 sentence 6). In order to assure equal treatment in the disclosure of the remuneration of Management Board and Supervisory Board, the Supervisory Board's remuneration is not disclosed in a more extensive individualized form.
- The Supervisory Board does not discuss each half-year or quarterly financial report prior to the reports' publication for the purpose of expeditious reporting (GCGC No. 7.1.2 sentence 2).

II. Statements with respect to the past

The recommendations of the GCGC in the version of May 5, 2015 and announced by the Federal Ministry of Justice in the official section of the Federal Gazette on June 12, 2015 have been complied with since the release of the declaration of compliance in September 2015 with the exceptions mentioned above under I.
