

Declaration of compliance with the German Corporate Governance Code 2021

Superseding the declaration of compliance of May 2021, Management Board and Supervisory Board of Elmos Semiconductor SE declare in accordance with Section 161 AktG (German Stock Corporation Act):

I. Statements with respect to the future

Elmos Semiconductor SE will comply with the recommendations of the "Government Commission German Corporate Governance Code" (in short: GCGC) in its latest version of December 16, 2019 (released in the official section of the Federal Gazette on March 20, 2020) as of now, subject to the following exceptions:

- No age limits will be defined for members of the Management Board and for members of the Supervisory Board (GCGC Recommendations B.5 and C.2). The Supervisory Board decides on the suitability of the members of the Management Board. Appointing the members of the Supervisory Board is the responsibility of the General Meeting of Shareholders; thus the General Meeting also decides on the Supervisory Board's age structure.
- The rules of procedure of the Supervisory Board are not made public on the Company's website (GCGC Recommendation D.1) as the procedural arrangement determined therein is considered irrelevant to an assessment of the Company.
- The Chairman of the Supervisory Board is also the Chairman of the Audit Committee (GCGC Recommendation D.4 sentence 2). The Supervisory Board is convinced that the workload of committee chairmanship is not too high and can be managed by the Chairman of the Supervisory Board. The Supervisory Board does also not see the risk of a too close relationship with the Management Board and the Supervisory Board Chairman's lack of attention on these grounds in seeing to his additional obligations as Chairman of the Audit Committee. The Chairman of the Supervisory Board is perfectly suited to chairing the Audit Committee as well. It is in the Company's interest not to follow this recommendation (GCGC Recommendation D.4 sentence 2).
- The determination of the remuneration of each member of the Management Board complies with current statutory requirements, most notably those under the Shareholders' Rights Directive (ARUG II). Any stricter requirements or more specific definitions are not considered expedient at present (GCGC Recommendations G.1 and G.2).
- The Supervisory Board determines the remuneration of the members of the Management Board at its reasonable discretion. No benchmarking surveys to be prepared especially for Elmos Semiconductor SE will be commissioned (GCGC Recommendation G.3). Employee remuneration will not be analyzed specifically for the sole purpose of determining Management Board remuneration (GCGC Recommendation G.4). The Supervisory Board utilizes remuneration surveys and benchmarks of other companies instead as well as taking into consideration the existing employee remuneration level and typical changes in remuneration over time. With respect to analyses going beyond that scope, the Supervisory Board does not recognize a corresponding benefit of the increased effort.

- Management Board employment contracts do not provide for caps on severance payments in case of premature termination of Management Board membership (GCGC Recommendation G.13). The Supervisory Board holds the view that the appropriate amount of a severance payment can only be determined by an agreement to be concluded in the individual case.

II. Statements with respect to the past

The recommendations of the GCGC in its current version of December 16, 2019 (announcement in the official section of the Federal Gazette on March 20, 2020) have been complied with since the release of the declaration of compliance in May 2021 with the exceptions mentioned above under I. and the following additional exceptions:

- The Company holds the view that at least one member of the Supervisory Board shall be independent. The Company regards any stricter requirements as not appropriate (GCGC Recommendation C.7).
- The Company holds the view that the Chairman of the Supervisory Board does not have to be independent as defined by the GCGC (GCGC Recommendation C.10). Supervisory Board membership of many years or significant share ownership e.g. are not general obstacles to performing the duties of the Chairman of the Supervisory Board.
