Invitation to the 18th Annual General Meeting of Elmos Semiconductor Aktiengesellschaft, 44227 Dortmund, Germany
(ISIN DE0005677108 / WKN: 567 710)

Dear shareholders,

our 18th Annual General Meeting will be held on Thursday, May 11, 2017, at 10:00 a.m. at Spielbank Hohensyburg, Hohensyburgstraße 200, 44265 Dortmund, Germany.

AGENDA

1. **Presentation of the adopted separate financial statements and the approved consolidated financial statements as of December 31, 2016, the Management Board's combined management report for Elmos Semiconductor Aktiengesellschaft and the Group as well as the report of the Supervisory Board for financial year 2016**

The aforementioned documents (including the explanatory report of the Management Board in accordance with Section 176 (1) sentence 1 AktG (Stock Corporation Act) on the disclosures required under takeover law pursuant to Sections 289 (4), 315 (4) HGB (Commercial Code)) are available on the Company's website at www.elmos.com/english/investor-relations/annual-general-meeting on the internet upon the convening of the Annual General Meeting. These documents will also be on display at the Annual General Meeting for inspection by the shareholders.

According to legal regulations, no resolution is scheduled with respect to agenda item 1 as the Supervisory Board has already approved the separate financial statements and the consolidated financial statements.

2. Resolution on the appropriation of retained earnings

Management Board and Supervisory Board propose that the retained earnings of Elmos Semiconductor Aktiengesellschaft of 107,062,574.42 Euro reported for financial year 2016 be used in the amount of 6,968,721.55 for the payment of a dividend of 0.35 Euro per share and that the remaining amount of 100,093,852.87 Euro be carried forward to new accounts.

The proposal for the appropriation of retained earnings takes into account treasury shares held by the Company (192,880 shares as of December 31, 2016) that are not entitled to dividend. If the number of no-par shares entitled to dividend for financial year 2016 changes up to the date of the Annual General Meeting, an accordingly adjusted proposal for the appropriation of retained earnings will be made to the Annual General Meeting that will also provide for a dividend of 0.35 Euro per no-par share entitled to dividend.

3. Resolution on the formal approval of the actions of the Management Board for financial year 2016

Supervisory Board and Management Board propose that the actions of the acting members of the Management Board in financial year 2016 be formally approved for this period.

4. Resolution on the formal approval of the actions of the Supervisory Board for financial year 2016

Management Board and Supervisory Board propose that the actions of the acting members of the Supervisory Board in financial year 2016 be formally approved for this period.

It is intended to have the Annual General Meeting vote separately on the approval of the actions of the individual members of the Supervisory Board.

5. Election of the auditor and group auditor for financial year 2017 and of the auditor for the review of the interim financial report for the first six months of financial year 2017

The Supervisory Board proposes that Warth & Klein Grant Thornton AG Wirtschaftsprüfungsgesellschaft, Düsseldorf, Germany, be appointed auditor and group auditor for financial year 2017 as well as auditor for the review of the interim financial report for the first six months of financial year 2017.

TOTAL NUMBER OF SHARES AND VOTING RIGHTS

The Company's share capital comes to 20,103,513.00 Euro as of the convening of the Annual General Meeting and is divided into 20,103,513 no-par ordinary bearer shares. Each no-par share grants one vote in the General Meeting.

Please take note that the Company holds 192,880 treasury shares as of December 31, 2016. In accordance with Section 71b AktG (Stock Corporation Act), the Company cannot derive any rights from these shares, particularly no voting rights.

PARTICIPATION IN THE ANNUAL GENERAL MEETING

According to Section 11 of the Company's Articles of Incorporation, shareholders are entitled to participation in the Annual General Meeting and to the exercise of voting rights if they register their participation with the Company at the following address and submit special proof of share ownership issued by their depositary bank to the following address:

Elmos Semiconductor Aktiengesellschaft
c/o Deutsche Bank Aktiengesellschaft
Securities Production
– General Meetings –
Postfach 20 01 07
60605 Frankfurt am Main, Germany
Fax: +49 (0)69 12012 86045
Email: wp.hv@db-is.com

The proof of share ownership must refer to the point in time as defined by the German Stock Corporation Act, i.e. the beginning of the 21st day prior to the General Meeting (record date), thus to the **beginning of April 20, 2017**, and it must be received by the Company together with the registration before **midnight of May 4, 2017** at said address. Registration and proof of share ownership must be in text form (Section 126b BGB (Civil Code)), composed either in German or English.

Entitlement to participation and the scope of voting rights exclusively correspond with the shareholder's share ownership as of the record date. The record date does not have a blocking effect on the marketability of shareholdings. Even in the case of the entire or partial sale of shareholdings subsequent to the record date, the shareholder's

share ownership as of the record date remains the sole deciding quantity for participation and the scope of voting rights; i.e. the sale of shares subsequent to the record date has no effect on the entitlement to participation and the scope of voting rights. The same applies for the acquisition of shares after the record date. Those who do not own any shares as of the record date and become shareholders at a later time are not entitled to participate or exercise any voting rights unless they are insofar empowered or authorized to exercise such rights. The record date has no relevance to the entitlement to dividend.

Upon the Company's receipt of registration and proof of share ownership, tickets of admission to the Annual General Meeting will be sent to the shareholders by the registration office. In order to assure the timely receipt of admission tickets, we kindly ask our shareholders to request a ticket of admission to the Annual General Meeting from their depositary bank in good time. In this case, the required registration and the proof of share ownership are provided by the depositary bank.

PROXY VOTING PROCEDURE

Power of proxy

Voting rights may be exercised by proxies. If neither a credit institution nor a shareholders' association nor another entity comparable to a credit institution in accordance with Section 135 (8) or (10) AktG (Stock Corporation Act) is authorized as a proxy, the power of proxy, its revocation, and proof of the power of proxy must be furnished to the Company at least in text form (Section 134 (3) sentence 3 AktG in conjunction with Section 126b BGB (Civil Code)).

For our shareholders' convenience, we provide the option for them to authorize proxies nominated by the Company. The power of proxy and its revocation require at least text form in this case as well (Section 134 (3) sentence 3 AktG in conjunction with Section 126b BGB). If a proxy nominated by the Company is authorized, the power of proxy must also be accompanied by voting instructions. The Company-nominated proxies are obligated to vote according to the respective shareholder's instructions.

In the case of proxy voting, the submission of registration and proof of share ownership must also be made in due time according to the above-mentioned regulations.

Statutory provisions apply, Section 135 AktG in particular, to granting the power of proxy to credit institutions, shareholders' associations or other entities comparable to a credit institution in accordance with Section 135 (8) or (10) AktG as well as to revoking and giving proof of such power of proxy. Credit institutions, shareholders' associations and other entities comparable to a credit institution in accordance with Section 135 (8) or (10) AktG may have special requirements for the procedure of their own authorization. Shareholders are therefore kindly asked to contact the entity they wish to authorize in good time in consideration of potential special requirements for the form of granting power of proxy.

Submission of the power of proxy to the Company

Proof of the power of proxy must be either furnished by the proxy at the day of the Annual General Meeting or submitted by way of declaration to the Company prior to the Annual General Meeting to the following address:

SHAREHOLDERS' RIGHTS (MOTIONS, ELECTION PROPOSALS, REQUESTS FOR INFORMATION)

1. Supplements to the agenda

Shareholders whose combined share ownership comes to a twentieth of the share capital or the proportionate amount of 500,000.00 Euro (corresponding with 500,000 shares) are entitled to request in accordance with Section 122 (2) AktG (Stock Corporation Act) that topics of their choice be put on the agenda and announced. Each new topic must be accompanied by an explanatory statement or a resolution proposal. The request must be addressed to the Company's Management Board in writing. It must be received by the Company at least 30 days prior to the day of the General Meeting, not including the day of receipt and the day the General Meeting is held. The last admissible date of receipt is thus Monday, **April 10, 2017 before midnight**.

We kindly ask to submit any requests for supplements to the agenda to the following address:

Elmos Semiconductor Aktiengesellschaft
The Management Board
Heinrich-Hertz-Straße 1
44227 Dortmund, Germany

Supplements to the agenda subject to announcement – unless announced already upon the convening of the AGM – are announced in the Federal Gazette promptly upon the request's receipt and transmitted for publication to media outlets of which it can be expected that they distribute the information throughout the entire European Union. They are also announced on the internet at www.elmos.com/english/investor-relations/annual-general-meeting.

2. Countermotions and election proposals

In accordance with Section 126 (1) AktG (Stock Corporation Act), each shareholder is entitled to submit countermotions with regard to the resolution proposals on the agenda items. If countermotions are meant to be made accessible by the Company, the Company must receive them together with an explanatory statement and proof of shareholder

capacity at least 14 days prior to the Annual General Meeting, i.e. before **midnight of April 26, 2017**, at the following address:

Elmos Semiconductor Aktiengesellschaft
Hauptversammlungsstelle
Heinrich-Hertz-Straße 1
44227 Dortmund, Germany

In accordance with Section 127 AktG, these provisions apply analogously to a shareholder's proposal for the election of Supervisory Board members (insofar as such an election is on the agenda of the Annual General Meeting) or auditors. Such proposals do not require explanatory statements, however. In addition to the reasons named

in Section 126 (2) AktG, the Management Board does not have to make an election proposal accessible if the proposal does not contain the candidate's name, actual occupation, and place of residence. Proposals for the election of Supervisory Board members do also not have to be made accessible if they do not contain information on the Supervisory Board candidates' memberships in other statutory supervisory boards pursuant to Section 125 (1) sentence 5 AktG.

Even if counter motions or election proposals are submitted to the Company in advance, they will be regarded in the Annual General Meeting only if they are proposed or submitted orally in the General Meeting again. The shareholders' rights to propose counter motions or submit election proposals at the General Meeting even without prior submission to the Company remain unaffected.

3. Requests for information

In accordance with Section 131 (1) AktG (Stock Corporation Act), the Management Board must give information on the Company's matters upon any shareholder's request at the General Meeting insofar as such information is necessary for the proper assessment of an item on the agenda and no right to withhold information applies. The Management Board's duty to provide information also includes the legal and

business relationships Elmos Semiconductor Aktiengesellschaft maintains with its affiliates. The duty to provide information furthermore includes the situation of the Elmos Semiconductor Group and the subsidiaries included in the consolidated financial statements of Elmos Semiconductor Aktiengesellschaft.
